

Hello Ladies!

I am honored and excited to be President of the Star Valley Ranch Ladies Golf Association for the year 2011! This year marks the 30th anniversary of the association and your Board is doing everything we can to make it a fantastic year for all our members!

We have decided to bring some new and exciting changes to the program, making our ladies days at the courses fun and enjoyable for all. A full recap of our vision will be provided at the Opening Social, which is scheduled for May 24. We hope the snow will be gone and the weather warm for our first social get together of the year.

We are working on getting our website functional and efficient and would welcome any input you have to help us get this done. I am a firm believer that many hands make light the task and I know there are talents among our membership that can help us become stronger and better, so please don't be shy!

It is our goal to have all members of the SVRLGA enjoy their membership to the fullest. What a great opportunity to have our seasoned members come along side our newer members to share experiences of the past years and integrate changes for the coming years so that we may be blessed with another 30 years of golfing fun and friendship at Star Valley. Please renew your memberships early and invite others to become a part of our association, no matter where they reside! Let's grow our membership and embrace the new friendships that can come from that growth!

I thank you all for the opportunity to serve as President and will work hard to see that we meet the needs of all our members. Please know that our goals are to make the association one that will bring satisfaction, gratification and friendly competition to the association and to the membership.

So, as the snow melts and the green grasses of spring mature, my hope is that we will all be anxious to gather together as friends and tell stories of our winter experiences. I look forward to this summer, getting reacquainted with old friends, making new friends and getting the Star Valley golf swing back! See you soon!

Donna W. Thompson

P.S. If you signed up to bring an item for our Ladies Invitational baskets at last years closing social, please remember to bring them to our opening social. If you can't recall what you signed up for, please continue to check the website. I will try to get a copy of the basket lists posted. If you weren't aware of our request for all members to help us fill the baskets, please bring a \$10.00 to \$15.00 item for one of the following baskets: Kitchen, Golf, Booze (Hard Liquor), Garden, Spa or Wine Basket. We would greatly appreciate the members assistance in helping us get a head start on the Ladies Invitational prizes.
